

The Association of Minnesota Building Officials

Board of Directors Representing the Southeast Minnesota Chapter of Code Officials

Greg Karow City of Winona

207 Lafayette | Post Office Box 378
Winona, Minnesota 55987
507.457.8252

Greg is the Building Official for the City of Winona, Minnesota, population 28,000.

Greg has an extensive background in developing and in presenting all types of Building Code and related seminars. As a past Staff Instructor with the International Code Council and previously as a Building Code Representative with the State of Minnesota Codes and Standards Division, Greg traveled locally, as well as throughout the United States and abroad, providing training to contractors, building officials and inspectors, design professionals, and other individuals with a vested interest in the codes. Greg also served as adjunct faculty member in the Building Inspection Technology program at Inver Hills Community College in Minnesota.

Greg's dedication to education was recognized; in 2009, he was the recipient of the Association of Minnesota Building Officials' Instructor of the Year Award.

In previous career paths, Greg served for twelve years as the Building Official of a Minnesota county, worked in the lumber industry, and also was a general contractor.

Greg is a State of Minnesota Certified Building Official and additionally is an ICC Certified Building Official, ICC Plans Examiner, and ICC Building Inspector. Greg has a certificate of completion in the Building Inspection Technology program as well as a background and education in the architectural drafting field.
